5.	<p>Maintenance</p> <ul style="list-style-type: none"> Alan Underwood has complained about the verges. Discussion was had and committee feel that they don't want to make work for themselves. Not all the verges belong to us in any case. It was agreed that it is best for wildlife/insects if some areas are left. AU also asked for gate again at bottom of Chapel Field – it was agreed that this would not be happening. SP offered to plant up the tyres at the King Street gate with some herbs. Tyres belong to previous committee member so they are their responsibility to remove. BP sprayed KS24a, KS2c. KS10c has been strimmed – VM to look up who has this plot as another member would like to take it on. KS38 has nettles etc, BP has sprayed them. BP said he would clear the wire and take to the tip. Footpath mowed on KS. AB has done maintenance strip twice, KS1 twice, and sprayed CF verge. GW sprayed KS fenceline. SP and CP rubbed down container to clear flaky paint, BP has a large tin of green paint we can use. GW offered to put down membrane on container plot to stop weeds. GW mentioned buying a ride on mower for the association so that everyone can help with mowing
